Here is my app Sandy, thanks.

I have been in business for my self for over 40 years and have a very good handle on finances and expenditures. I have been a member of the Pirate Harbor for almost 20 years and see the need to take care of the very special water way that we have. I believe that the continued effort to have the remaining channel maintenance dredged is vital to continued flow of water in and out of our community. The community has overwhelmingly voted for this project and backed it up with approval of the payments. I would like to be able to see this project brought to fruition.

Thank you
Van Stockwell
