

**Charlotte County Board Of County Commissioners
Agenda Item Summary**

Item Number: F- 4

1 DEPARTMENT MAKING REQUEST

Purchasing

2 MEETING DATE

5/13/2014 9:00:00 AM

3 REQUESTED MOTION/ACTION

Approve deletion of the property inventory items listed on the attached for the month of May, 2014.

4 AGENDA

Consent

5 IS THIS ITEM BUDGETED (IF APPLICABLE) -

Budget Action

No budget action required.

Financial Impact Summary Statement

Detailed Analysis Attached -

Budget Officer-

6 BACKGROUND (Why is this Action Necessary, and What Action will be accomplished)

Request the Board approve the attached lists of items for disposal. The first list is the standard property deletion requests. The second listing is equipment for online auction. All items have been turned over by departments as unusable to their needs. These items will be circulated to other local government agencies to verify there is no current need in another agency. Therefore, requesting approval to dispose of these surplus items via an on-line auction service with Gov-Deals, Inc. and the items are to be sold to the highest bidder. The third listing is for donation request of computers to the Charlotte County Computer Group Corporation.

Nov 20, 2011

Mr. Ray Sandrock
Charlotte County Administrator
18500 Murdock Circle
Port Charlotte, FL 33948-1075

We would like to introduce ourselves to the Commissioners in the hopes that you might be able to help us acquire older computer equipment to continue our mission.

CCCGC (Charlotte County Computer Group Corporation) is a 501(c)3 non-profit corporation as determined by the IRS. We are an authorized Microsoft Refurbisher and we provide computers to nearly 300 needy children in Charlotte County and Non-Profit Organizations each year. Additionally, we also help to educate and promote computer literacy to our members, many who are older citizens unfamiliar with the operation of XP, Vista and Windows 7.

Our work takes many volunteers and many donations of older equipment. We start by wiping the hard drive and installing a new operating system, XP Professional or Windows 7 Home Edition. We make sure each machine has a DVD reader and a CD-RW so students can burn information to discs. We then install free programs so students can learn how to use a word processing program or a spreadsheet or create a power point presentation. Computers are then matched with a monitor, keyboard, mouse and plugs needed to run. The equipment that is unable to be used is parted out and the metals are recycled to keep it out of the landfills.

We have been supplying computer systems to students of Charlotte County since 2004 based on recommendations from Guidance Counselors or Teachers. For the first time, we have run out of monitors, keyboards, and now towers. With our shelves now empty and we are unable to supply computers as the requests come in.

Sincerely,

Harold Nixon
President
