Re: Phase 1 Pipeline

Dear Pat:

This letter is to express Charlotte County's conceptual support of the City of Punta Gorda's request to the Peace River Manasota Regional Water Supply Authority in its efforts to obtain funding for the Phase 1 Pipeline connecting the Authority's Regional Transmission Main in DeSoto County near the Walmart Distribution Center on U.S. 17 to the City's Shell Creek Water Treatment Plant on Washington Loop Road. The County's support is conditioned on the County not being assigned or having to assume any financial responsibility, either directly or indirectly, for the design or construction of the Phase 1 Pipeline. Until specific funding details have been presented to the Board of County Commissioners, this letter does not constitute consent pursuant to Section 22.2 of the Master Water Supply Contract.

Sincerely,

Ray Sandrock
County Administrator
