Detailed Analysis Attached - No

Budget Officer-

6 BACKGROUND (Why is this Action Necessary, and What Action will be accomplished)

This certification program involved six month's of coursework culminating in a final certification exam that equipped staff with the skills to not only help others improve their present financial circumstances, but also help them avoid the cycle of financial despair by changing destructive behaviors as it pertains to spending and saving. Financial literacy is a key component of the Human Services' Family Self-Sufficiency program.
