Committee Meets 2nd Wednesday of the month - Rm. 119 - 9:00 a.m.

Created in 1985 to review and make final determinations on variances and special exception requests. This Board consists of five members, a rep from each of the five districts. Their decisions allow little room for legislative preferences and must be based on existing law. The decisions of the BZA are final. These requests do not come before the BCC for final approval or appeal.
(info: Commissioners really should not get involved with the BZA process. The best way for them to help their constituents who ask Commissioners for help on an upcoming BZA case is to have the Commissioner help them prepare the best case to present at the meeting.)
