

# **SARASOTA COUNTY GOVERNMENT**

## *Planning and Development Services*

**TO:** Sarasota County Commission  
Charlotte County Commission

**THROUGH:** Thomas A. Harmer, County Administrator

**FROM:** Thomas C. Polk, Director, Planning and Development Services

**DATE:** November 3, 2015

**SUBJECT:** **Update on Stump Pass and Beach Erosion**

### **RECOMMENDED MOTION(S) OR ACTION(S):**

Presentation of an update on Charlotte County Stump Pass and beach erosion issues on Manasota Key.

### **BACKGROUND:**

Charlotte County staff and coastal engineering consultants will present an update on their recent efforts to address Stump Pass and beach erosion on Manasota Key. Information provided will include:

- A recap of the 2001-2003 regional shoreline study conducted jointly by Charlotte and Sarasota Counties;
- The 2015 updated study of the Manasota Key shoreline completed by Charlotte County;
- Significant information on physical and natural resources/erosion issues; and
- Opportunities for regional beach management between Charlotte and Sarasota Counties
