# Charlotte County, Florida

New Data and Mapping Sites

Key Site Features
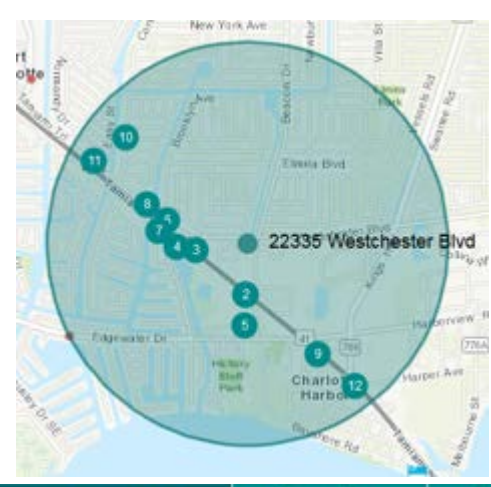

Basic Tools
Search Locator, Zoom in/out, Home Extent, Print, Select Spatial Feature, Information Tool

What's Around Me

This tool allows the user to select a desired location and gather information about the local area.

Tourism Services	Recreation	Community
3 0.26 Miles (approximate)	4 0.35 Miles (approximate)	
Knights Inn Port Charlotte	Legendary Journeys, Inc.	
4100 Tamiami Trl	4055 Tamiami Trl	
Hotels (except Casino Hotels)	Travel Agencies	

Reporting Tool

The Report tool (shown left) allows the user to define an area of interest by either drawing on the map directly or performing a place name search. The resulting report will describe characteristics of the surrounding area by block group. Shown at left is an example of the median age of women residents of the various block groups that overlap with the highlighted pink circle. The selected (blue outlined) block group corresponds to the selected (blue) record in the table.

Charlotte County, Florida

New Data and Mapping Sites

Community Profile
