

# SARASOTA COUNTY GOVERNMENT

## *Planning and Development Services*

**TO:** Sarasota County Commission  
**THROUGH:** Jonathan R. Lewis, County Administrator  
**FROM:** Matthew R. Osterhoudt, Director  
**DATE:** February 28, 2019  
**SUBJECT:** Update on Manasota Key Beach Nourishment Project

### **RECOMMENDED MOTION(S) OR ACTION(S):**

Update on the Manasota Key beach nourishment project.

### **BACKGROUND/ANALYSIS:**

Charlotte County staff and coastal engineering consultants will present an update on their recent efforts to address beach erosion on Manasota Key. Information provided will include:

- Manasota Key Beach Project update including permit status and design details, state cost-share status, opinion of probable cost, and project schedule.
- Update on the status of recent engineering work done regarding Sarasota County's north segment, including scope of work and design status.

### **STRATEGIC PLAN ALIGNMENT:**

**Goal:** World-Class Quality of Life Amenities

**Objective:** Preserve and enhance our "world-class" beaches

**Board Policy Agenda/High Priority:** Beach Nourishment/Stabilization

**Department Action:** Manasota Beach Renourishment Policy and Action
