

Burnt Store WRF Expansion Update

Tuesday, Jan. 13, 2026

CHARLOTTE COUNTY
FLORIDA

Packaged Plant

- Issuance of FDEP permit for facility substantial modifications expected soon.
- FDEP environmental resource permit submitted.

Packaged Plant

- Purchase of the first temporary unit is underway.
- Expected online in second quarter.
 - Due to dry winter season, projections show plant's ability to accommodate flows.
- Options for rent/purchase will be provided as the need for the second unit approaches.

Permanent Expansion

- Design and permitting for the permanent plant are on schedule.
- Expansion will upgrade capacity to 1.25 MGD and include Advanced Wastewater Treatment (AWT) for higher quality reclaimed water.
