

A stylized graphic featuring a yellow sun with rays and a green leaf, both with white outlines, set against a light blue curved shape at the bottom. The graphic is positioned behind the main title.

# US17 Corridor Study

Transportation Workshop  
February 12, 2026

CHARLOTTE COUNTY  
FLORIDA

# US17 Corridor Study Request

- Proposed large development along US17
  - The project is located within Charlotte County however, it abuts a state road (US 17)
  - Charlotte County has no authority over state roadways

# US17 Corridor Study Request

- Staff has been coordinating with the Florida Department of Transportation (FDOT) on behalf of the citizens of Charlotte County
  - Staff requested a thorough review by FDOT on traffic, future expansion of US17
  - Staff followed up with a request for a corridor study
  - Staff reminded them that the same request came from MPO members at the December 15<sup>th</sup> MPO meeting

# US17 Corridor Study Request

- FDOT staff responded in January
  - They are working on the request and will let the County know once they have more information
  - They are currently waiting on information from the consultant that is working on the development design
