EWD WOULD APPRECIATE YOUR COOPERATION IN PROVIDING THE FOLLOWING INFORMATION TO YOUR READERS/VIEWERS/LISTENERS.

RE: PRECAUTIONARY BOIL WATER NOTICE

Water service has been restored to the barrier island of Manasota Key. As a PRECAUTION A BOIL WATER NOTICE has been issued. Addresses affected by this notice are:

FROM 6131 MANASOTA KEY ROAD NORTH WITH NORMAL WATER PRESSURE EXPECTED.

FROM 6131 MANASOTA KEY ROAD SOUTH INCLUDING SANDPIPER KEY CONDOMINIUMS WITH LOWER THAN NORMAL WATER PRESSURE EXPECTED. AS FLORIDA POWER AND LIGHT RESTORES ELECTRICITY, EWD CREWS WILL CONTINUE TO MAKE ASSESSMENTS AND REPAIRS TO BOTH THE WATER AND SEWER SYSTEMS. WE ARE STILL ASKING ALL CUSTOMERS TO ASSIST US IN LOWERING THE DEMAND ON OUR SEWER SYSTEM BY BEING CONSERVATIVE IN YOUR WATER USE.

All water used for drinking or cooking purposes should be boiled. A rolling boil of one minute is sufficient or as an alternative, bottled water may be used.

This precautionary boil water notice will remain in effect until a bacteriological survey shows that the water is safe to drink.

If you have any questions, you may contact the Englewood Water District at 474-3217.

Thank you,
Englewood Water District
