1 (2pgs.)	2/26/2010	07.064	Manchester Lock Removal FDEP Construction Phase to Operation Phase

Chuck,

Enclosed please find the final certifications for Manchester Waterway. If you have any questions, please feel free to contact Mr. Mark Kincaid at 239-643-2324 ext. 128 or via email at [mkincaid@cecifl.com](mailto:mkincaid@cecifl.com).

Thanks,  
Sarah

AS-BUILT CERTIFICATION BY PROFESSIONAL ENGINEER

07.06.04  
Final  
Cuts

Submit this form and one set of as-built engineering drawings to the  
U.S. Army Corps of Engineers, Enforcement Branch  
Jacksonville, Florida 32232-0019. If you have a special  
requirement, please contact the Enforcement Branch at (904) 254-2000.

1. Department of the Army Permit Number: SAJ-2003-154 (IP-CJW)

2. Permittee Information:

Name Charlotte County Board of County Commissioners

Address 7000 Florida Street, Punta Gorda, Florida 33950

3. Project Site Identification:

Physical location/address South of Edgewater Drive and east of  
Midway Drive in the Alligator Bay/ Manchester Waterway area.

4. As-Built Certification:

I hereby certify that the authorized work, including any mitigation required by Special Conditions to the permit, has been accomplished in accordance with the Department of the Army permit with any deviations noted below. This determination is based upon on-site observation, scheduled and conducted by me or by a project representative under my direct supervision. I have enclosed one set of as-built engineering drawings.

ENVIRONMENTAL RESOURCE PERMIT  
AS-BUILT CERTIFICATION BY A REGISTERED PROFESSIONAL

Permit Number: 08-0210682-001

Project Name: Removal of The Manchester Waterway Boat Lock in the  
Manchester Waterway.

I hereby certify that all components of this surface water management system have been built substantially in accordance with the approved plans and specifications and are ready for inspection. Any substantial deviations (noted below) from the approved plans and specifications will not prevent the system from functioning as designed when properly maintained and operated. These determinations are based upon on-site observation of the system conducted by me or by my designee under my direct supervision and/or my review of as-built plans certified by a registered professional or Land Surveyor licensed in the State of Florida.

Substantial deviations from the approved plans and specifications:

(Note: attach two copies of as-built plans when there are substantial deviations)

Within 30 days of completion of the system, submit two copies of the form to:

## Request for Transfer of Environmental Resource Permit Construction Phase to Operation Phase

(To be completed and submitted by the operating entity)

Florida Department of Environmental Protection

08-0210682-001

It is requested that Department Permit Number \_\_\_\_\_ authorizing the construction and operation of a surface water management system for the below mention project be transferred from the construction phase permittee to the operation phase operating entity.

Project: Removal of the Manchester Waterway Boat Lock in the  
Manchester Waterway

From: Name: Charlotte County Board of County Commissioners  
Address: 7000 Florida Street  
City: State: Zip:  
Punta Gorda Florida 33950-5798

To: Name: Charlotte County Board of County Commissioners  
Address: 7000 Florida Street  
City: State: Zip:  
Punta Gorda Florida 33950-5798

The surface water management facilities are hereby accepted for operation and maintenance in accordance with the engineers certification and as outlined in the restrictive covenants and articles of incorporation for the operating entity. Enclosed is a copy of the document transferring title of the operating entity for the common areas on which the surface water management system is located. Note that if the operating entity has not been previously approved, the applicant should contact the Department staff prior to filing for a permit transfer.

The undersigned hereby agrees that all terms and conditions of the permit and subsequent modifications, if any, have been reviewed, are understood and are hereby accepted. Any proposed modifications shall be applied for and obtained prior to such modification.
